

# LUMINEX

~ A COMMUNITY INVITATION ~

Dear DTLA Community,

On the evening of Saturday, October 5, 2024, you're invited to experience *LUMINEX 3.0*, an outdoor walkable digital art exhibition taking place in our neighborhood. The exhibition will run 7:00 to 11:30 p.m. *One night only*. This experience is free to the public.

Using our buildings as backdrops, internationally acclaimed Los Angeles artists will use cutting edge digital art to share their reflections and concepts, re-inspire our cultural connection, and spotlight the healing power of art. This exhibition will feature seven massive walls within a 5-block walkable radius (W Pico Blvd, S Olive St, W 11<sup>th</sup> St, S Hope St, Grand Ave).

In the spirit of community, please consider donating to this event as we need your support and sharing the information of the event with your friends. Please click on the link for: [Individual Donor tiers](#) and [General Community Donations](#). Intentionally placed in the heart of our City, *LUMINEX* is a mark for Los Angeles. It's an impactful way for these artists to give back here at home.
